

LATIFAH KHALED ALANZI

SOFTWARE ENGINEERING | QA TESTER | ISTQB CTFL CERTIFIED

Hail / Riyadh, Saudi Arabia | +966554135613 | tyf274721@gmail.com | [LinkedIn](#)

PROFESSIONAL SUMMARY

Software Engineering graduate and ISTQB Certified Tester Foundation Level (CTFL) certified with a strong interest in Software Testing and Quality Assurance. Experienced in writing test cases, analyzing requirements, and validating system functionality through academic projects. Familiar with SDLC, STLC, and Agile methodologies. Passionate about improving software quality and delivering reliable, user-focused solutions.

EDUCATION

University of Hail

Bachelor of **Software Engineering** 2021 - 2026

GPA: 3.289/ 4.00

EXPERIENCE

1- JODAYN Information Technology Company

Cooperative Trainee – Quality sector / 7 Months

- Performed manual testing on multiple web applications covering core user functionalities.
- Designed and executed test cases based on system requirements and user scenarios.
- Identified and reported defects using Excel with clear reproduction steps and detailed documentation.
- Retested fixes to ensure defects were resolved and did not reoccur.
- Collaborated with developers to improve system stability and performance.
- Validated user flows and ensured system behavior aligned with expected outcomes.
- Contributed to enhancing overall software quality and user experience.

PROJECTS

1- SparkHub System

Graduation project platform designed for Saudi university student clubs to centralize workshops, events, and activities while improving student engagement.

2- Quality Hub System

A testing-focused project for managing test cases and bug reports while applying real-world QA practices.
